

## Signal lamps with lamp socket - E 14, 22.3 mm, housing

1.61.012.099/0000

### General information

|                    |       |
|--------------------|-------|
| Form of lens       | round |
| Diameter of collar | 28 mm |

### Dimensions

|                |         |
|----------------|---------|
| Overall height | 14 mm   |
| Mounting depth | 46 mm   |
| Mounting hole  | 22.3 mm |

### Mechanical design

|             |                                     |
|-------------|-------------------------------------|
| Mounting    | ring nut                            |
| Terminals   | screw terminals brass nickel-plated |
| Lamp socket | E 14                                |
| Lamp        | filament lamp                       |

### Electrical characteristics

|                    |       |
|--------------------|-------|
| Voltage limit max. | 250 V |
| Power limit max.   | 2 W   |

### Other specifications

|                                      |      |
|--------------------------------------|------|
| Degree of protection from front side | IP40 |
| Weight                               | 21 g |
| ROHS compliant                       | yes  |
| REACH compliant                      | yes  |

### Panel cut-out
