X9797A01
Din rail terminal block
600V 10A

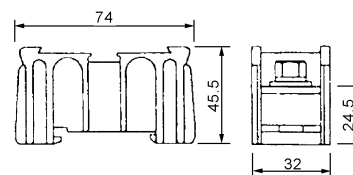

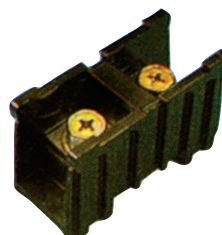

X9797B01
Solid terminal block
Glass reinforced plastic ensures heat-resistance,
good toughness
600V 60A

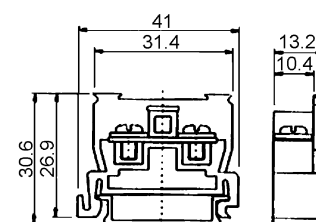

X9797A03
Din rail terminal block
600V 20A

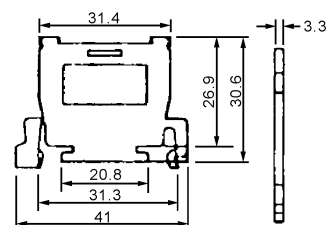

X9797B03
Solid terminal block
Glass reinforced plastic ensures heat-resistance,
good toughness
600V 100A

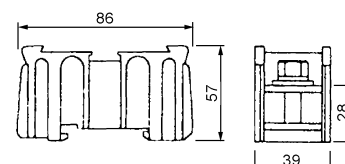

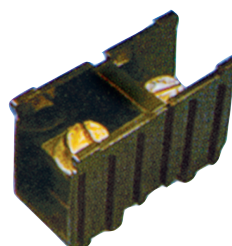

X9797A05
Din rail terminal block
600V 30A

X9797A07
Din rail end plate
(For X9797A01~X9797A05)

X9797B05
Solid terminal block
Glass reinforced plastic ensures heat-resistance,
good toughness
600V 200A

X9797A09
Din rail end bracket terminal
(For X9797A01~X9797A05)
