

5 series 18.5V ternary lithium battery protection board

Model: HXYP-345S-0Z35	Dimensions: 75MM*52MM*4MM
Discharge duration limit: 35A±5A	(single section) overcharge voltage: 4.225 V±0.025V
Discharge protection current limit: 60A±5A	(single section) overcharge release voltage :4.175V±0.03V
Charge limit voltage: 21V	(single section) overdischarge voltage :2.7V±0.05V
Charge duration limit: 30A±5A	Overdischarge release voltage (single section) :3.0V±0.08V
Charge protection current limit: 50A±5A	Overtemperature protection: -10℃~+70℃
