SUL 180A

Technical Data

Contact capacity:	16(10)A 220-240VAC 50/60HZ
Driving mode	Motor quartz
Time range	24 hours
Power Reserve	3 days
Minimum setting unit	15 minutes
Set-up times	96 times
Max. switching capacity at 250 V A $C, \cos \varphi = 1$	16 A
Max. switching capacity at 250 V A $C, \cos \varphi = 0.6$	4 A
Ambient teperature	-20~+55°C
Mechanical life	10,000,000times
Electrical life	100,000 times
Mounting	35mm Din Rail installation

Dimenision(mm) and installation
